EDUCATION

Bachelor of Computer Engineering

L.D. College of Engineering

Aug 2019 - Jul 2023 (Present)

CGPA - 8.72

12th - Gujarat Higher Secondary Education Board

Sarvodaya Science School

Mar 2019

CGPA - 8.6

EXPERIENCE

Backend Development Intern (*Raapid.AI*)

Jan 2023 - Present

- Developed **API endpoints** and ensured seamless integration of **data models** and databases
- Implemented a token-generating module using **JWT** in the Spring framework
- Built **ETL** (Extract, Transform, Load) pipelines in the Azure cloud
- Maintained **documentation** and workflows to facilitate future maintenance and understanding

Technical Content Writer (*Unstop formerly Dare2Compete*)

Oct 2021 - Mar 2022

- Created and authored **technical content** for programming courses
- Achieved a readership of over **300 users** for the published articles
- Demonstrated ability to communicate complex **programming concepts** to a wide audience effectively

PROJECTS

ToDo API

Java, Spring MVC, JPA, MySQL, Git

During my onboarding at Raapid.AI, I developed a demo CRUD API that showcased my ability to implement one-to-many and many-to-many relationships using multiple entities (**Git Repo**)

Real-time News Website

Python, Django, SQLite, Bootstrap

Simple Django project that communicates with the News API and displays the news content. Frontend uses bootstrap components. News is categorized by using different controllers (**Git Repo**)

Real-time Chat App

HTML, CSS, JavaScript, Firebase, Git

This application allows users to send and receive messages instantly. They can create, join and leave chat rooms. With the help of Firebase, users can authenticate using their Google accounts (**Git Repo**) (**Live App**)

SKILLS

Languages

C, C++, Java, Python

Technical Skills

Data Structures & Algorithms, DBMS, OOPS

Soft Skills

Communication, Leadership, Presentation, Teamwork & Collaboration

Tools & Technologies

Spring, Django, Git, Github, AWS CodeCommit, Jenkins, Postman, JWT, REST API, Azure Portal, MySQL, STS, VS Code

CODING PROFILES

CodeChef, LeetCode, HackerRank, CodeChef, GeeksForGeeks

EXTRA-CURRICULAR ACTIVITIES / ACHIEVEMENTS

- As a **Training and Placement Coordinator** at LDCE, I successfully oversaw company outreach, interview scheduling, and HR communication (**Certificate**)
- Contributed as a **problem setter** and **tester** in the Coding Event For Girls hosted by the CodeChef-LDCE
- Secured **2nd rank** at Code Storm coding competition, held at GTU TechFest 2022, outperforming over 500 participants from various regions of Gujarat (**Certificate**)
- For a period of one year, I **led a team** of 8 designers and 2 content writers, ensuring the timely delivery of LDCE's quarterly newsletter, which was distributed to over **2000 students**
